TOWN WARRANT

THE STATE OF NEW HAMPSHIRE.

[L. s.]

To the Inhabitants of the Town of Sanbornton in the County of Belknap in said State, qualified to vote in Town affairs: .

You are hereby notified to meet at the Town hall in said Sanbornton on Tuesday, the 13th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see what action the town will take in regard to the election of road agents.

4. To see how much money the town will vote to raise and appropriate for the decoration of soldiers' graves and the proper observance of Memorial Day.

5. To see if the town will vote to raise and appropriate the amount of money necessary to secure State Aid for the permanent improvement of highways under the laws passed at the January session, 1905.

6. To see how much money the town will vote to raise and appropriate for payment of town debt.

7. To see if the town will vote to raise and appropriate the sum of four hundred dollars for the control of the White Pine Blister Rust.

8. To see if the town will vote to authorize the Road Agent to make necessary repairs on the Wadleigh Mountain Road, so-called.

9. To see what sum if any the town will vote to raise and appropriate to pay to the Laconia Hospital.

10. To bring in your ballots upon the question as to whether the amendment proposed by the Convention to revise the Constitution shall be approved.

11. To transact any other business that may legally come before said meeting.

Given under our hand and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and twenty-three.

FRANK H HUNKINS,
CARL E. HANSON,
HOWARD W. SANBORN,
Selectmen of Sanbornton.

AUDITORS' REPORT.

We have examined the accounts of the selectmen, treasurer, overseer of the poor, board of health, library trustees and school board of the town of Sanbornton, for the year ending January 31, 1923, and find them correctly cast and properly vouched, and the financial statements true.

We have likewise audited the accounts of the trustees of trust funds, and all other matters pertaining thereto, and find same correct, with securities as listed, and receipts and expenditures as stated.

We have examined and found correct, the report of the Sanbornton Agricultural and Mechanical Association.

ALBERT M. OSGOOD,
Treasurer.

HERBERT J. L. BODWELL,
Secretary.

The attention of every policy holder is called to the following:

By vote at the annual meeting of the Company held January 7, 1901, policy holders wishing to remain away longer than thirty days may keep the insurance on their property good, by applying to the secretary for a permit to leave premises unoccupied for such times as they may specify, paying for the same five cents per month for every one hundred dollars for which they are insured.

The cash premium for permits has been reduced from five to three cents per month.

SCHOOL BOARD REPORT.

(For the year ending June 30, 1922.)

We have only run six schools this year. The Square and Gaza schools being closed, owing to the small number of children, they were conveyed to the Hunkins and Chapel schools, respectively.

We have again been fortunate in securing experienced teachers of high quality, although it was necessary in several cases to fill vacancies on account of sickness, which was done without interrupting the school work.

The following teachers have been employed:

Hunkins—M. Pearl Colby, Lillian Knowles.

Bay—Alice M. Smith.

Meadow—Florence Edgerly, Blanche Wallis, Marion Hunt.

Calef Hill—Alice Corliss.

Chapel—Sarah P. Bailey, Iva Eastman.

North Sanbornton—Stella M. Thomas.

At the close of the school year public graduation exercises were held at the Town Hall, at which time the following received diplomas:

Rose D. Yeaton—Calef Hill School.

Margaret Corliss—Calef Hill School.

Alice Johnson—Meadow School.

Aura Smith—Bay School.

Douglas Mumford—Chapel School.

Vernal K. Sargent—Hunkins School.

All of these graduates are continuing their studies in High schools or academies.

There were eleven from Sanbornton attending High schools and academies this past year, two of which, Gert-

rude F. Wilson from Tilton Seminary and Gertrude Weeks from Franklin High School, were graduated—the former now a student at Plymouth Normal School.

We call attention to the report of the Superintendent of Schools and his recommendations to the School Board; also the statistical table and financial report.

Please note that as Mr. Libbey's work in Sanbornton district did not commence until July, 1922, he is unable to make any report for the year ending June 30, 1922—only such as could be taken from the registers.

Please note also that for the year ending June 30, 1923, owing to necessity of opening two more schools, unexpectedly having to provide conveyance, the increased salaries of teachers and heavy consumption of fuel this past winter, we are faced with a deficit for the support of schools; also for high school and academy tuitions and balance of the Superintendent's salary. Considering the amount of money necessary for next year above what the law requires (\$3.50 per \$1,000 of inventory) for the support of schools, the School Board recommends the appropriation of \$5.00 on a \$1,000 of equalized valuation, thus securing State aid. (See the School Board's estimates at end of financial report.)

Report of the Superintendent of Schools.

To the School Board of Sanbornton:

I herewith submit my first annual report as superintendent of Sanbornton schools.

I assumed my duties as your superintendent in July, 1922.

I had but two teachers to select, as others already had been provided. While the total number of pupils is about the same as last year, their distribution has necessitated your opening two more schools than last year.

The teachers are giving faithful service, and the interest on the part of the scholars is good.

The unusual amount of snow in January has interfered seriously with school attendance and progress, and will necessitate a considerable amount of repetition of work by the teachers.

The number of tardinesses last year was much larger than the year before. Tardinesses are generally preventable, either by the pupil concerned, or by the parent, or both.

I wish it might be realized that school tardinesses tend to form habits of tardiness in other ways. Then, I am sure, parents would help the teachers to practically eliminate this very undesirable feature of the schools. 301 tardinesses in six schools is too large a number. I hope this record will be improved this present year.

I found the supply of books in every school decidedly inadequate for doing what ought to be done. The teachers are asking for more books, for every grade of work, every time I visit them. I have been unable to help them because we did not have the books.

It is useless to engage teachers who know how to do modern school work, and then not give them the tools to do this work with. Sanbornton schools are not adequately supplied with either text books or reference books. The results obtained, under present working conditions, are not satisfactory, when compared with the possibilities, if your

boys and girls had a suitable and adequate supply of books. This is the weakest part of your school system. Can it not be partially strengthened this year, by an increased appropriation for books?

For the school year ending June 30, 1921, your report shows but \$13.61 expended for books. For the year ending June 30, 1922, there was \$55.78 expended for books. In each of these two years there has been enrolled over 100 pupils.

The average price of school books, from the primer of the first year to the geography and history of the eighth grade, would not be much less than 75 cents each. You can easily compute that in the two years past, the total amount expended for books has been about .69 per pupil. It would buy only about 23/25 of a book for each pupil. The lack of books is really a serious matter. It is your children that, in consequence, are the losers. Will you not help them?

Repairs on school buildings are always necessary. I wish you might adopt the policy of taking one building each year and remodel it to meet the requirements for school buildings. It would be the economical thing to do.

I wish to witness that you, as a Board, have shown me personally every courtesy and every evidence of genuine interest in what is best for the schools. I appreciate the co-operation that you and all the teachers have given in our joint efforts to better the schools of Sanbornton.

Respectfully submitted,

FRED S. LIBBEY,
Superintendent of Schools.

ROLL OF HONOR.

The perfect attendance for school year ending June 30, 1922.

FOR THE YEAR.
